Agenda 3: (Information Agenda) To discuss the college Annual Report to be presented by the Principal.

Dr. Ashok Shettar, Principal, presented the college annual report. The focus of his presentation was on academic initiations taken in Curriculum redesign in the present academic year. Some of them are:

- Keeping in view of PEOs, POs and ABET criteria, 5 hrs of introductory lectures on Major Engineering Programs in the first year have been introduced to create awareness about philosophy and scope of core engineering disciplines and their role played in the economy of a country
- Credits for Engineering Mathematics has been increased to 5 to strengthen the fundamentals
- An open elective on Social Entrepreneurship at 3rd year level has been offered to enable students to develop an understanding and awareness of the value of Social Enterprise within the context of the economy
- A 6 credit course “Research Experience for Undergrads (REU)” in place of 2 electives one each at 7th and 8th semesters respectively is being implemented.
- An open elective on ‘Mathematical Thinking and Logical Reasoning’ at 2nd Sem. M. Tech. level to increase placement opportunities has been offered.
- To prepare students for niche areas, two courses viz., Introduction to Aircraft Industry and Aircraft Systems and Design of Aircraft Structures, related to Aircraft industry in collaboration with Infosys Technologies have been introduced at 3rd and 4th year
- Examination evaluation system has been reformed. Faculty members now enter the marks online into SAMS (Students Assessment Management System), which in turn help us to identify students’ learning attainment with reference to Course Learning Objectives and speedy announcement of results.

Agenda 4: To consider and approve the resolutions of Finance Committee of the college held on 08/10/2011 and 28/01/2012.
Resolution: It is resolved to approve the resolutions of Finance Committee of the college held on 08/10/2011 and 28/01/2012

Agenda 6: To discuss the results of June/July 2011 examination

The governing council in general expressed happiness about the results

Agenda 7: (Information Agenda) To discuss progress of TEQIP Phase II

Dr. Ashok Shettar, principal, briefed that as per the direction of the Governing Council, he has applied for the Component 1.1 of TEQIP phase-II in response to the NPIU advertisement. Institutional Eligibility Proposal (IEP) submitted by the college has scored 77 points, highest in the selected colleges to submit for Institutional Development Proposal (IDP). He said that the college has submitted the proposal for INR 11.5 crores to NPIU. Further he added that the NPIU has sanctioned grants of INR 10 crores to the college and the letter has been received from NPIU stating that in the first phase a sum of INR 1.5 crores will be released.

Agenda 8: To discuss establishment of Centre for Technology Entrepreneurship [CTE]

Dr. Ashok Shettar, principal, proposed establishment of Centre for Technology Entrepreneurship [CTE] in the college. He said this Centre will mainly focus on developing a model to promote entrepreneurship at a technical institution in Hubli (a tier 2 city). Many factors contribute to sustain the growth of regional entrepreneurship. Identifying the relevant factors for the city of Hubli and Dharwad and trying to generalize the findings to other tier 2 cities in India is the key outcome of this program.

The objectives and deliverables of CTE are as below:

Objectives: Center for Technological Entrepreneurship (CTE) to enable
   a. Entrepreneurial ecosystem in college and region
   b. Alternate career options to students
   c. Alternate teaching options to faculty
   d. Bring students, faculty, industries, entrepreneurs, SMEs, financiers together
   e. Develop strengths in emerging domains/markets like healthcare, automotive, renewable energy and industrial sectors
Deliverables: These deliverables are based on the short term focus (0-1 yr) time line of CTE.

a. 2 elective courses
b. One Entrepreneurship course
c. One idea contest/year
d. 2-3 mini-projects covering 2 departments/Faculty

The governing council members appreciated the idea of establishing Centre for Technology Entrepreneurship [CTE]. They felt that it will give a new direction in Entrepreneurship and help local industry and institution and hence it will be a win-win situation for both institution and industry.

Resolution: Resolved to permit to establish the Centre for Technology Entrepreneurship [CTE] with Dr. Madhusudan V. Atre, Member, Governing Council, BVB College of Engineering and Technology, Hubli as its Chairman
